

## REPUBLIC OF KOSOVA

### Ministry of Economy (ME) Kosovo Digital Economy (KODE) Project

#### REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – FIRMS SELECTION)

#### FOR:

CONSULTANCY COMPANY FOR TRAINING OF YOUNG PEOPLE PACKAGE 12, PRISHTINA AND  
MALISHEVE.

**Country:** Kosovo

**Project:** Kosovo Digital Economy (KODE)

**Assignment Title:** Consultancy Company for training of young people package 12, Prishtina and Malisheve

**Ref. No.** KODE/CS/2.1.1.14/2023

**Project ID.** P164188

**Loan No.:** 6285-XK

**Issued on:** March 3, 2023

#### INTRODUCTION

The KODE Project is structured along three components: 1. Digital Inclusion, 2. Digital Work and Empowerment, and 3. Project Implementation Support. This assignment concerns the implementation of the sub-component 2.1 The Youth Online and Upward (YOU) Program under Component 2 of the Project.

**Sub-Component 2.1:** The objective of the **The Youth Online and Upward (YOU) Program** is to support increased access to online knowledge sources, information and online services and labor markets of 2,000 Kosovo youth, of whom at least half are young women. Trainings will be realized in different regions of Kosova for a total duration of 5 months per each training course.

#### OBJECTIVE OF THE ASSIGNMENT

The overall objective of the YOU Program is to support increased access to online knowledge sources, services and labor markets of 2,000 Kosovo youth (hereinafter: beneficiaries).

The aim is to **up-skill and re-skill selected beneficiaries into the training through a competitive process and help them leverage these skills to generate income.**

The present Terms of Reference (ToR) concern the implementation of training for **React Java Script Developer** course and below listed soft skills, organized in the Municipality of Prishtina 4 classes and Municipality of Malisheva 4 classes, estimated 20 beneficiaries per one class, 160 beneficiaries in total, each class starting with two months in between in respective municipality. The selected Consulting Company shall plan to deliver the trainings in-person in groups. If it is not possible to do so, the trainings -fully or in part- should be instead delivered online without any modification of the outlined criteria.

The selected Consulting Company shall implement following groups of activities for each training class organized, separately. Training activities as part of this Contract shall be completed within 14 months, starting from date of contract signing. Following activities have to be completed for each training class.

---

### **Activities**

#### **3.1 Initial preparation activities**

- a. Information and outreach campaign
- b. Selection of beneficiaries

---

#### **3.2 Training**

- a. Technical skills and soft skills in-class training and after-class home assignment in duration of at least 5 months, 200 hours of in-class training.

---

#### **3.3 Post-training activities**

- a. Examination Test and Certificates for beneficiaries who will complete the training.
  - b. On-the-job guidance & mentorship
- 

The Consultant (Firm or Company) should be a training provider with relevant project experience. The work should be undertaken by a consulting team consisting of experts based in the field.

**Detailed Terms of Reference (ToR) can be found in the following web page address:**  
<https://kodeproject.org/en/other-procurement-notice/>

## **REQUIRED QUALIFICATIONS FOR THE COMPANY**

### ***(i) General qualifications of the company to REOI***

- Demonstrated impactful in training provision and project management skills, including quality assurance of work products and effective risk management.
- Experience working with private sector, government or international donors on similar interventions is considered as advantage.
- Availability of training facility with enough capacity to accommodate the required training program dynamic. Pictures of facility should be provided.

*(ii) Relevant experience with similar assignments*

- Demonstrated capability in well-thought-out design and effective delivery of similar type of training, on-the-job or employability guidance, and mentorship, as evidenced by the relevant experiences, and the qualifications and experience of professional staff.
- Demonstrated Experience with conducting of wide-ranging outreach activities effectively targeting youth.
- Demonstrated experience in conducting impactful trainings in React Java Script Developer or similar.
- Existence or access to a functional online platform to manage trainees and provide e-learning to them in class and remotely.

**The evaluation and shortlisting criteria are:**

- (i) General qualifications of the company to REOI (40%),
- (ii) Relevant experience with similar assignments (60%)

A Consultancy Company will be selected in accordance with the Consultant's qualifications based selection (CQS) as set out in the Consultant's Guidelines in Procurement Regulations for IPF Borrowers July 1, 2016.

Consultancy Company may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

Further information can be obtained at the address below during office hours: 09:00 to 16:00 (Monday to Friday).
